Adopted: 2/14/90

Authorized Use of School Equipment and Materials

The Amity School District Board believes that although school district equipment is purchased by taxpayers, the equipment is primarily purchased to provide for and/or enhance students' educational programs. It is the Board's responsibility to protect and maintain this equipment. The Board is also responsible for establishing guidelines concerning equipment which may be used by the public and conditions under which it can be used. Equipment will be available only to Amity School District community members and school district employees.

In all cases of public use, equipment shall not be used for private financial gain. An equipment use form must be submitted and approved, and all conditions outlined on the attached district equipment list must be adhered to. There are no equipment use fees. In the event of "excessive damage," a fee will be determined according to repair or replacement costs. Transportation of borrowed equipment will be the user's responsibility.
