

Energy Conservation Policy

Code: ECF

Amity School District 4J

Adopted: 2/14/90

Energy Conservation

The Amity School District encourages and supports an energy conservation and education program to substantially lower consumption of electricity, natural gas, gasoline and water. It will be the responsibility of each district employee and student to participate in conservation efforts to reduce consumption to levels prescribed by state and federal guidelines while maintaining programs. It is the responsibility of district administrators, through the superintendent's office, to implement, direct, monitor, evaluate and report district energy conservation efforts.
