Student Teachers

The district will participate as a training site for student teachers completing their training at Oregon colleges and universities when it is determined by the superintendent that such participation will be in the district's best interests.

All arrangements for the placement of student teachers in the district will be made through direct contact between the building principal and the teacher's training program.

Unless approved by the superintendent, a maximum of one student teacher may be placed with any licensed employee during any given school year. The building principal may limit the number of other experience students and block students with any staff member.
