

Amity High School Scholarship Application Guidelines

In an effort to ensure that scholarship applications meet the highest possible quality standards, Amity High School has established the following guidelines:

- All applications must be proofed to insure neatness, proper spelling, and correct grammar.
- The application must include ALL of the requested materials or it will not be accepted.
- ALL questions must be answered clearly and completely using complete sentences. (It is highly recommended that you provide all pertinent information that helps to clarify your response)
- ALL applications must be accompanied with a signed statement that your parent or guardian has reviewed your complete application.
- Your application must be received prior to the deadline established for submittal.

I want to remind you that most scholarship donors really appreciate students that put the necessary time and effort into the application process.

Good luck and thank you in advance for turning in the quality applications that I know Amity students are capable of producing.
