Code: IGDF

Amity School District 4J

Adopted: 5/9/90 Revised/Readopted: 02/08/17

Student Fund Raising Activities

No individual or school or school-related group is authorized to conduct any type of promotion, sales, or solicitation of funds unless that specific activity has been expressly approved and authorized by the building administrator and is under the direct supervision of the appropriate advisers.

Where funds are to be raised through an outside agency or contracted activity, the activity must receive prior approval by the principal and superintendent. Activities that include fund raising for charitable or other causes not relating to school activities, must obtain prior approval from the principal and the superintendent.

If fund raising consists of selling food and beverage items to students during the regular or extended school day, the food and beverage items must comply with state and federal nutrition standards, rules and laws. This does not apply to food and beverage items sold at school-related or nonschool-related events for which parents and other adults are a significant part of the audience.
