

Amity High School Scholarship Application Guidelines

In an effort to ensure that scholarship applications meet the highest possible quality standards, Amity High School has established the following guidelines:

- ✓ All applications must be proofed to assure neatness and proper spelling and grammar usage.
- ✓ The application must include **all** of the requested materials or it will not be accepted.
- ✓ **All** questions must be answered **clearly** and **completely**, using complete sentences. (It is highly recommended that you provide all pertinent information that helps to clarify your response.)
- ✓ **All** applications must be accompanied with a signed statement that your parent or guardian has reviewed your complete application.
- ✓ Your application must be received prior to the deadline established for submittal.

I want to remind you that our scholarship donors really appreciate students that put the necessary time and effort into the application process.

Good luck and thanks in advance for turning in the quality applications that I know Amity Students are capable of!

Jeff Clark, Superintendent
Amity School District 4

How to Use & Print the AHS Fillable Scholarship Application

1. Create a new file folder, make this your destination for all of your scholarships.
2. Download the scholarship file, save the scholarship in the folder you have just created. You will be accessing and using the newly saved scholarship.
3. Open the scholarship that has been saved to your new folder. If you fill in the application directly after opening it from the website nothing that you type in will be saved. You have to: Open/Download/Save/Re-open.
It is recommended that you use Google Docs to write your essays and create your activity lists; then copy/paste into your application.
