Code: **IGBG**

Amity School District 4J

Adopted: 5/9/90

Homebound Instruction

Instruction will be provided to any student whose health or impairment will, as substantiated by a physician's statement, cause him/her to be absent from school for at least 20 consecutive school days, and who in the judgment of the building administrator, can benefit educationally from such instruction.

The amount of instructional service provided will be related to each student's educational needs. The district will make an effort to secure home tutoring services so the student has the opportunity to maintain his/her progress in the basic skill content areas.
