District Goals

Amity SD is committed to providing a quality educational experience for all students as we aim to best prepare them to enter their next phase of life, whether that is college, trades, military or the workforce. Amity expects every student to graduate with strong communication and math skills appropriate for achieving their goals, post-graduation. These expectations drive our investment of financial, facility and personnel resources. We seek to provide a cooperative learning environment where the expectation for excellence is developed in both teaching and learning and to increase the percentage of students meeting state standards.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2027. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.
